

GardenShare's **Bonus Bucks** program is a way to double your money at your local farmers' market with our **NEW** punch card system, or to receive a financial assistance for 50% of your CSA share. Read about your options, pick the one that suits you best, fill out your application, and send your application to GardenShare. new options!

First, read about your two options:

1. CSA Membership Subsidy

Community Supported Agriculture is a way to buy local seasonal food directly from a farmer.

Choose a CSA from the list on the back of this flier. Every farm works differently and offers different products and pricing, so it is important to research and call the farm to determine which one works best for you.

You can receive half the original cost from GardenShare Bonus Bucks, up to a max value of \$250, and pay the rest yourself. For instance, if you pick a \$350 share, you will be awarded \$175 of Bonus Bucks. However, if your share costs \$550, half of which is \$275, you would receive \$250 of Bonus Bucks.

You may be able to pay for the rest of your share with your EBT/SNAP food benefits. If this option interests you, please call for details: 315-261-8054

2. Double Your Purchasing Power at the Farmers Market

I qualify for Bonus Bucks because the total income of my household is

If your receive SNAP benefits, take your card straight to the market manager to get double value. If you are not on SNAP, you can still double your purchasing power with our new punch card program.

Punch cards are taken to the market manager in exchange for \$2 tokens which can only be spent on food at the farmers market.
